

# ALINEA

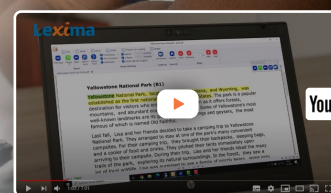

## A complete reading and writing solution.

**What is Alinea?** A language enrichment tool which improves the speed and accuracy of reading, comprehension and writing. It is your ideal partner that will help you advance and be successful in school and at work.

Be it through spell checking, applying the correct grammar or writing abstracts, **Alinea boosts every user's confidence and independence.** It is a platform agnostic literacy tool, that suits all levels of reading and writing ability. Useable with all document types Alinea acts as your *private literacy tutor*, providing native reading and writing assistance and foreign language support.

Alinea works on all devices: Windows, MAC, Android, iOS, Tablets and Smartphones.

**Easy. Simple. Intuitive. As it should be.**
